I Can Cope

Adult cancer patients and their loved ones learn ways to navigate the cancer experience while building their knowledge and coping skills. In these educational classes, doctors and other health care professionals provide information, encouragement, and practical tips in a supportive environment. Patients may attend one or all of the meetings. This is an annual program presented by Thomas Hospital in Fairhope. For information on meeting dates and times, please contact Natalie Coale at 251.414.1306.

Look Good...Feel Better

Through this service, women in active cancer treatment learn techniques to restore their self image and cope with the appearance-related side effects. Certified beauty professionals provide tips on makeup, skin care, nail care and head coverings. This program is a partnership among the American Cancer Society, the Cosmetic, Toiletry and Fragrance Association Foundation and the National Cosmetology Association. For more information on dates, locations, and times, please contact Natalie Coale at 251.414.1306.
