INSURANCE & TRANSPORTATION ASSISTANCE

In addition to providing you with physical and emotional support during your course of treatment, we provide assistance with transportation, support groups, obtaining insurance coverage, insurance pre-certification, disability determination, documentation for your cancer policy reimbursement, access to patient assistance programs providing medications and services, and any other assistance that you may require.

Gulf Coast Cancer Centers files health insurance claims to many insurance carriers. The most common include:

Aetna Life Insurance
Blue Cross/Blue Shield of AL
Health Springs of AL
Medicaid of AL Patients First

Medicaid of AL
Medicaid of FL
Medicare Part B Primary
Medicare Railroad

Medicare Seniors First
Tricare for Life
United Healthcare

We also accept Medicare supplemental insurance and Medicaid secondary. The specific deductible, co-insurance and co-pay amounts will be determined upon individual verification. These amounts are specific to your insurance carrier's plan.

We file claims for patients, and the patient is responsible for any charges not covered by their insurance carrier.

IF YOU HAVE QUESTIONS...

For questions regarding insurance or billing, please contact Gulf Coast Cancer Centers' Billing Coordinator: Kathy Singleton, ROCC, toll free at (866)970.GCCC (4222).
