## INSURANCE & TRANSPORTATION ASSISTANCE

In addition to providing you with physical and emotional support during your course of treatment, we provide you assistance with transportation, support groups, obtaining insurance coverage, insurance pre-certification, disability determination, documentation for your cancer policy reimbursement, access to patient assistance programs providing medications and services, and any other assistance that you may require.

Gulf Coast Cancer Centers files health insurance claims to many insurance carriers. The most common are:

**Aetna Life Insurance**  
**Blue Cross/Blue Shield of AL**  
**Health Springs of AL**  
**Medicaid of AL Patients First**

**Medicaid of AL**  
**Medicaid of FL**  
**Medicare Part B Primary**  
**Medicare Railroad**

**Medicare Seniors First**  
**Tricare for Life**  
**United Healthcare**

We also accept Medicare supplemental insurance and Medicaid secondary. The specific deductibles, co-insurance and co-pay amounts will be determined upon individual verification. These amounts are specific to the patient's carrier and their particular plan.

We file claims for patients, and the patient is responsible for any charges not covered by their insurance carrier.
